Lean on Me

Sometimes in our lives we all have pain We all have sorrow

But if we are wise

We know that there's always tomorrow

Lean on me, when you're not strong And I'll be your friend

I'll help you carry on, for it won't be long 'Til I'm gonna need Somebody to lean on

Please swallow your pride

If I have things you need to borrow

For no one can fill those of your needs that you won't let show

You just call on me brother, when you need a hand **B**

We all need somebody to lean on

I just might have a problem that you'll understand **B**

We all need somebody to lean on

Lean on me, when you're not strong And I'll be your friend

I'll help you carry on

For it won't be long 'Til I'm gonna need Somebody to lean on

If there is a load you have to bear That you can't carry

I'm right up the road I'll share your load

If you just call me (call me)

Days of Elijah

These are the days of Elijah, declaring the Word of the Lord
And these are the days of Your servant, Moses righteousness being restored
And though these are days of great trial, of famine and darkness and sword
Still we are the voice in the desert crying: Prepare ye the way of the Lord

CHORUS:

Behold he comes Riding on a cloud Shining like the sun At the trumpet's call Lift your voice
It's the year of jubilee
Out of Zion's hill salvation comes

And these are the days of Ezekiel, the dry bones becoming as flesh
And these are the days of Your servant, David rebuilding the temple of praise
And these are the days of the harvest The fields are as white in your world
And we are the laborers in your vineyard declaring the word of the Lord

CHORUS 2X

Behold he comes Riding on the clouds Shining like the sun At the trumpet call Lift your voice
It's the year of jubilee
Out of Zion's hill salvation comes

There's no God like Jehovah (x8--modulate) There's no God like Jehovah (x8--modulate) There's no God like
Jehovah (x7)

I østen stiger solen op

I østen - stiger solen

op, den spreder guld på sky, går over - hav og bjergetop, går over land og by.

Den kommer - fra den favre kyst, hvor Paradiset lå;

den bringer - lys og liv og lyst til store og til små.

Den hilser - os endnu så smukt fra Edens - morgenrød, hvor træet stod med evig frugt, hvor livets væld udflød.

Den hilser - os fra lysets

hjem, hvor størst Guds lys oprandt med stjernen - over Betlehem, som østens vise fandt.

Og med Guds sol udgår fra øst, ja en himmelsk glans på jord, ja

et glimt fra Paradisets kyst,

hvor livets abild, livets abild - gror.

Og alle - stjerner neje

sig - hvor østens sol går frem: den synes dem hin stjerne lig, der stod ved Betlehem.

Du soles sol fra Betlehem! - ja

Ha' tak og lov og pris - ha' tak og lov og pris for hvert et glimt fra lysets hjem

og fra dit Paradis!

I never lost my praise

I've lost some good friends along life's way
Some loved ones departed in heaven to stay
But thank God I didn't lost everything

I've lost faith in people who said they cared
In time of my crisis they were never there

But in my disappointment, in my season of pain
One thing never wavered, one thing never changed

I never lost my hope, I never lost my joy

I never lost my faith

But most of all, I never lost my praise

My praise still here, My praise still here

I've let some blessings slip away
When I lost my focus and went astray
But thank God I didn't lost everything I
lost possessions that were so dear

I lost some battles walking in fear

But in the midst of my struggles, in my season of pain
One thing never wavered, one thing never changed

I never lost my hope, I never lost my joy

I never lost my faith

But most of all, I never lost my praise

Praise, Praise, Praise, Praise, Praise
Most of all, I never lost my praise

My praise still here, My praise still here

Some days drag. Some days fly Some days I think of the day I'll die
Some days fill me and some days drain And one day Jesus will call my name

One day Jesus will call my name
As days go by, I hope I don't stay the same.
I wanna get so close to Him that it's no big change, On that day that Jesus calls my name

Most days I pray but some days I curse. It's that number of days I put myself first.
But it's not what I do, the cross made that plain. And one day Jesus will call my name

One day Jesus will call my name
As days go by, I hope I don't stay the same.
I wanna get so close to Him that it's no big change, On that day that Jesus calls my name
