

Man in the mirror

Sopran:

- (5) I'm gonna mak a change for once in my life
It's gonna feel real good
Gonna make a difference, gonna make it right
- (13) As I turn up the collar
on my favorite winter coat
This wind is blowing my mind.
I see the kids in the street with not enough to eat
Who am I to be blind pretending not to see their need.
A summer's disregard, a broken bottle top
and a one man's soul
- (25) They follow each other on the wind you know
'cause they got nowhere to go
That's why I want you to know
- (30) I'm starting with the man in the mirror
I'm askin' him to change his ways
And no message coulda been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
- (42)
- (51) Somebody's broken heart
And a wash.
Washed, dream
Dream
'cause they got no place to be
That's why I'm starting with me
- (59) |: I'm starting with the man in the mirror
I'm askin' him to change his ways
And no message coulda been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a/that change :|
- (70) Man in the mirror
I'm askin' him to change his ways, yeah

no message coulda
been any clearer (if you want)

If you wanna make the world a better place
Take a look at yourself and then make that change
- (80) Gotta get it right while you got the time
'cause if you close your heart
Then you close your mind, your mind
Man in the mirror!

Alt+Tenor+Bas:

- Ohh
- Ooh
Ooh Ooh
Ah
Soul
- Ah... You know
Nowhere to go
That's why I want you to know
- I'm starting with the man in the mirror
I'm askin' him to change his ways
And no message coulda been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
- T+B:** I've been a victim of a selfish kind of love
It's time that I realize that there some with no home
Not a nickel to loan
Could it be realy me pretending that they're not alone
- T+B:** A willow deeply scarred
A: Somebody's broken heart
A+T+B: And a washed out dream.
A: Out, a dream
A: Dream **T+B:** They follow the pattern of the wind you see
'cause they got no place to be
That's why I'm starting with me
